First Fine Arts Summer Course Rated A Success

The first Fine Arts course in the summer and educational program ended last Thursday with an exhibit of the work of more than 40 children from grades 2nd through the 7th. Instructor Junior Collins reported an enrollment of 55 with 44 finishing the six weeks course. Two classes one in the morning and one in the afternoon were conducted five days a week with some grades attending Tuesday and Thursday and others Monday, Wednesday and Friday. Many of the children were so interested they came every day.

"The children's work was very expressive and showed much ability," Collins said, adding that "some of the students didn't know anything at all about art, but soon learned the technique of blending and mixing colors."

Each child was allowed five pictures for the art show, but most of them displayed two or three and in the older groups some had four on exhibit. The work exhibited was in charcoal, watercolor, pastels, crayon, monotype, collage and one of the 2nd grade Elementary School Rooms was filled with parents and friends, showing their interest.

FP&L Expansion Program Geared To Growth Of Glades

Ample electrical power for building expansion and growth of the Belle Glade area is being provided by Florida Power and Light Company with the additional power circuit now being built along West 6th Street from Avenue L to SW Avenue E.

Construction crews working on the project ran into difficulties Sunday which incurred power failure for an hour and a half for many homes in the Northwest section.

Construction underway is part of the expansion and improvement program started several years ago, Glades Manager Curtis Chase announced.

In February of this year a new Transmission Substation was completed in South Bay which greatly increased available power for the area and provided additional sources thus improving service continuity. Now power can be brought into this vast agricultural area from the East Coast or West Coast of Florida as well as from the South or North by means of Transmission Line switching accomplished by remote control from the Loop Dispatcher's office.

In February 1962 a new substation was installed at Port Mayaca to take care of growth in the Indian River and northern area of the Glades District. Also in the early part of 1962 the capacity of the Belle Glade substation was doubled and additional automatic control equipment was installed to take care of area increased power requirements.

In the latter part of 1962 an additional operating yard with a new Distribution Department building was completed on West Avenue A in Belle Glade.

Three Candidates Qualified For 2 Seats On City Commission; Politics Astir

Pahokee Branch Manager For EFS&L

Richard A. Poston, executive vice president and manager of Everglades Federal Savings & Loan Association, Belle Glade, this week announced the appointment of Elmer T. Jones of Pahokee as branch manager of the new Pahokee branch of the Everglades Federal scheduled to open here in the early part of October.

Mr. Jones is a long-time resident of Pahokee, coming here from Wauchula in 1933. "After 30 years of varied business activities in the Glades," Mr. Poston said, "he needs no introduction to our customers and accounts in this area."

His first business connection in Pahokee was with C. A. Bailey. Mr. Jones is married to the former Miss Margaret Seery of Wauchula. They have three daughters, two of whom are married. The youngest, Miss Marjorie Jones, is a senior at Pahokee High School. The family resides at 286 Carissa Drive in Pahokee.

Farmers Will Elect Officers For AS&C

All farmers of Palm Beach County are reminded that the 1963 annual Agricultural Stabilization and Conservation Service community elections will be held in August. These committees administer the Federal Farm Programs in the county. The three communities are as follows: Coastal -- the area east of Twenty-Mile Bend; Belle Glade -- the area west of Twenty-Mile Bend to the Hendry County line, south to the Broward County line and north to Pelican Bay; Pahokee -- the area north of Connor's Highway to the Martin County line and west to Lake Okeechobee.

Petitions signed by six or more eligible voters nominating persons for membership on the community committee must be received at the AS&C Office, 531 North Military Trail, West Palm Beach not later than August 9, 1963. If the persons nominating by petition are willing to serve in the community committee, they will be placed on the ballot. If he person (s) nominated by petition is found to be ineligible, he will be notified, and may appeal to the county committee by August 15th. The community and county committees (s) may make additional nominations as are required or as he determine or consider desirable.

More Street Lights For Belle Glade

City Manager S. J. Sorham announced this week that Florida Power and Light Co. has now completed a contract of street lights along West of Avenue E, and West of 10th Street, in the Southwest section of the City.

Their next project will cover the installation of street lights along the northern portion of the city, north of the canal and east of Third Street, Sorham said.

Seats are open for three City Commissioners to be elected at the City Election September 10.

Terms of office expire for Paul Davidson from West Borough who has completed three terms as commissioner; C. Markham, with two terms as commissioner from Central Borough; and Clyde (Rory) Parrish of North Borough, two terms.

City Clerk, Vase Jones, announced that registration books are now open, and urged that every eligible voter check the books to make sure he is registered. Registration books will close August 30.

Bob Lee Appointed To PBC World's Fair Committee

The Florida exhibits at the New York's World's Fair in 1964-65 promise to outshine anything we have done in the past, Florida News Service reports. "Set in a spacious lake front location, Florida will attract heavy attendance."

We know the fair will be top! Belle Glade's own Chamber of Commerce president, Bob Lee, has been appointed to the County Commission to serve on the Palm Beach County World's Fair Authority Committee.

Bob, who is currently vacationing in Ft. Myers, was also named to the Steering Committee of the Palm Beach County Welcome Stations.

James O. Dubose Buried Monday

James Oscar Dubose, Jr., 40, son of Mrs. Audrey Jones of this city, died suddenly Friday of a heart attack at his home 6910 Parker Ave., West Palm Beach. Services were conducted by Rev. Carl D. Shafer, associate pastor of the First Methodist Church, at 2 p. m. Monday at Mizell-Faville-Zern Southdale Chapel. Burial was in Hillcrest Memorial Park.

Dr. and Mrs. William Jones of Hattiesburg, Miss., came home to be with his mother, Mrs. Audrey Jones and his brother's wife, Mrs. Rose Mary Dubose and two children. They returned home following the services.

Mr. Dubose and family resided in Belle Glade about 13 years ago. He was employed at the Ford Agency at that time.

City Of South Bay Options Land For Own Water Plant

Councilman for the City of South Bay voted at their last regular meeting to accept an option on a tract of some five acres of land owned by South Bay Growers, on which to build City's proposed water plant.

The council also accepted a plat of the Masonic subdivision as proposed, after rejecting the same piece of property at a recent meeting on question of certain street dedications. The plat was completed to their approval.

The meeting was conducted by vice-mayor J. G. Bowen.

July 12 was opening date for candidates to qualify. The deadline is 4:30 p. m., August 21.

Three candidates had qualified as of noon Wednesday, with rumors rampant of others interested in running, reflecting a possibility of more candidates this year than for several previous elections.

Incumbent Commissioner Clyde Parrish qualified July 26, to bid for re-election for another term as commissioner from North Borough.

For the first time in Belle Glade's history a Negro citizen bids for a seat on the commission, William A. Grear, who operated the Ideal Barber Shop at 205 S. W. 5th Street, qualified as a candidate from West Borough July 29th.

Wednesday morning, July 31, Aubrey Farmer also filed as candidate from North Borough. Farmer has been employed by the Central Florida Conservancy District the past twelve years.

Remaining on the Commission are Palmer January, Central Borough, now in his third term; LeRonn Williams, North Borough, who has completed one year of his two year term.

Despite rumors, as of Wednesday noon a definite statement from Commissioners Davidson and Markham on whether or not they would run for an additional term was not available.

Belle Glade is divided into three Boroughs as follows: all north of Hillbore Canal, both east and west, is in North Borough; South of the Canal and East of Second Street is Central Borough; and South of the Canal and West of Second Street is in West Borough.

Exercise your privilege to vote and write for a candidate in each Borough regardless of where you live . . . at the election September 10.

Tuesday Rites Held For T. W. Whatley

Funeral services for Thomas Worthe Whatley, 61, of 917 N. W. 1st St., Belle Glade, who passed away Monday at Good Samaritan Hospital, following an extended illness, were conducted Tuesday at 4 p. m. The Rev. Lowell Crawford, assistant pastor at First Baptist Church, conducted the services held at Mizell-Faville-Zern Southdale Chapel in West Palm Beach.

Burial was in Hillcrest Memorial Park, West Palm Beach. Pallbearers were Emil Wolf, Dr. Frank Tudela, C. E. Tyson, Richard Murray, Leonard Case and Louis Morin.

Mr. Whatley was a native of Birmingham, Ala., and attended Columbia Military Academy and Suwanee University, Seawater, Tenn. He was a member of First Baptist Church, Belle Glade, and the Lions Club all in Belle Glade.

Survivors include his widow, Mrs. M. Louise Whatley, a stepdaughter, Mary Lou Raulerson, Belle Glade; a brother, James E. Panama City, and a sister, Mrs. E. W. Wain, Panama City and Mrs. Fisher Tynes of Birmingham.

"58-Year Old Jack Dempsey Is A Very Gracious Host"

Pictured are Jack Dempsey (center) and Mrs. Dempsey (right), hosts to Agriculture Commissioner Doyle Conner (left center) and Florida delegation, at their "Meeting Place of the World" Restaurant in New York last Thursday night. At right center is delegate William C. Pierce friend of Dempsey's from Tampa, and left, Herald Publisher, Luther Jones, a member of the people-to-people delegation.

Some 50 Floridians, including HERALD PUBLISHER, Luther Jones, enjoyed a "generous-sized" cut of roast beef following the individual's choice of cocktail, with Jack and the Mrs. as hosts, at the world famous "Meeting Place of the World" Restaurant in New York last Thursday night. This event was prelude to the departure on Friday of Commissioner Doyle Conner and his Florida delegation, on a people-to-people good will tour of eight European countries: Belgium, England, France, Germany, Hungary, Italy, Spain and the Soviet Union, July 26-August 15, 1963.

Luther Jones left by plane last Thursday morning to join the group in New York. Roy Vandegrift of Canal Point is also in the delegation.

The group had a selection of Broadway shows for their entertainment following the dinner, as guests of delegate Claude Kelley of Jacksonville.

On Friday, following visits to Woolworth's and last minute additions to carry with you in the arm," Jones reported, a briefing was held at the Taft Hotel and the group was off to Idlewild International airport for their flight aboard the Sabena World Airlines, with Manchester, England their first scheduled stop on Saturday.

"The 58-year old Jack Dempsey is a very gracious host," Jones wrote the Herald. "New York is New York, and the people of the world, including Georgia and Florida, pass on Times Square and all colors, all trends, all languages are heard from passers-by."

Local subscribers will find as a supplement to their HERALD this week a copy of a brochure "Lake Okeechobee C's d's and G's The Agriculturalists of Europe." Two thousand

of these will be distributed by Glades delegates Jones and Vandegrift, to farmers and government agricultural officials in the countries they will visit, including Russia. The pictorial story of Glades agriculture was prepared by Editor-Publisher Luther Jones and printed in the HERALD SHOP.

We're passing these on to give each of you a chance to be a delegate in boosting our rich agricultural area by reading and then mailing your copy to an interested friend.

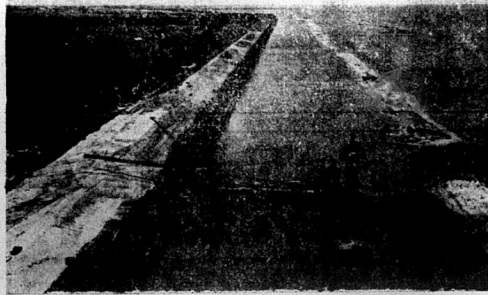

Belle Glade and its Chamber of Commerce are going all out to give Okeechobee Waterway Boat-A-Cade a grand welcome this year. The opening night stop here August 31. Chamber executive director, L. L. Price, announces that in addition to arranging lodging and transportation, entertainment and a dance for that evening, they will provide a free Barbecue in at who present a current Okeechobee Waterway Association membership card.

Stuart where they will wind up Sunday evening with the Chamber of Commerce, under the chairmanship of Ezar Wood, a big steak dinner at the Elks Club.

The banquet Sunday night, September 1, at Stuart marks the official end of the Boat-A-Cade, but it is expected that many boats will want to stay over for Labor Day on Monday, Sept. 2, and the Jensen Beach Area Chamber of Commerce is making arrangements for a full day of festivities. During that day there will be a Water and Ski Show held on the Indian River at the new causeway. This will be followed by fireworks display that evening and later on a "Turtle Watch." Jensen Beach and the Chamber of Commerce announces they will arrange water taxi service for the cruisers who can watch both shows from the water.

Markhams Will Attend 7th Annual Beekeeper's Institute Aug. 8-10

A hive nailing contest and honey products and beeswax candle making competition will highlight the 7th Annual Beekeeper's Institute at Camp McQuarrie here August 8-10.

Among beekeepers from throughout the state and their families expected to attend the three-day meet which will cover nearly every phase of the honey industry are Mr. and Mrs. Wilfred Markham and family of Belle Glade. Mr. Markham is in business here with his father, F. C. Markham in Markhams Appearies.

John D. Haynie, Agricultural Extension Service apiculturist in charge of the institute, reports registration will begin at 1 p. m. on August 8. Announcement of winners in the honey product competition will be made at 8 p. m., followed by a talk on the "Bright Spots in the Future of Florida's Agriculture" by the Florida's Assistant Commissioner of Agriculture F. W. Rish, Tallahassee.

Officially welcoming the beekeepers to the institute Friday morning August 9 will be Dr. M. O. Watkins, director of the Agricultural Extension Service Gainesville.

The welcome will be followed by a talk on protecting honey and honey bees from fall-out by Dr. A. T. Wallace, Agricultural Experiment Stations geneticist and irradiation expert Gainesville, and a discussion of the factors influencing the quality of citrus honey and grading by Dr. Fredrick W. Knapp, assistant biochemist with the Agricultural Experiment Stations Gainesville.

The problems encountered in keeping bees away from honey bees will be outlined by Frank A. Robinson, assistant apiculturist with the Agricultural Experiment Stations, while nectar producing trees in Florida's forest will be discussed and illustrated by Tony Jensen, assistant forester with the Agricultural Extension Service, Gainesville and Arron Jordan, Florida Forest Service, Tallahassee.

On Friday afternoon, K. S. McMullen, district agent with the Agricultural Extension Service Gainesville, will preside over discussions of equipment for building live hives by Pete G. Ward, electrical engineer Jacksonville, and of making honey ice milk by Dr. E. J. Fouts, Agricultural Experiment Stations dairy technologist and head of the Dairy Science Department at the University of Florida, Gainesville.

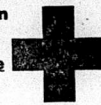

On the final day of the institute, the beekeepers will hear Felix Uzzell, Sebring beekeeper, relate his experience in moving and locating bees in the citrus section, J. S. Miller, USDA, Washington, D. C. will also be on hand to discuss national and international honey markets.

Highlighting the final session will be a panel discussion of research problems relating to honey production and marketing by members of the Agricultural Experiment Stations and Clyde R. Madsen, U. S. Department of Interior, Fish and Wildlife Service, Gainesville. Agricultural Stations scientists slated on the panel are Robinson, Hamilton, Wallace and Knapp.

The institute, which is directed by the Florida Agricultural Extension Service, will conclude at noon on Saturday.

Camp McQuarrie is located some 30 miles east of Ocala on Highway 40 in the heart of the Ocala National Forest.

South Bay Baptist Family Survey Begins August 4

The First Baptist Church of South Bay will conduct a Family Community Survey of South Bay beginning on Sunday August 4th at 3:00 p. m. This survey is in cooperation with the Bel-

le Area Ministerial Association. Information concerning that of the name and number within the family and also their religious preference or denomination will be asked.

Rev. Fenton, has asked cooperation of all South Bay residents as people of all denominations are encouraged to participate that the survey might be as friendly and enjoyable. It is the hope that each home that is contacted will fill the same time atmosphere.

Come... And Let Us Reason Together

The Church of Christ which meets at 125 N. W. Avenue, D. M. invited "The What and Why of Religion."

The sermon will concern itself with the subject of faith. It will seek to answer some questions about our religious faith, such as: What is faith? Why have faith? Does it make a difference if I have faith? The sermon is based on a text from Genesis 12:4 and a corresponding text from Hebrews 12:2. To the week ahead think seriously about YOUR faith and come next week ready to receive a vital Bible centered message about faith.

Methodist Men To Hear

Rev. J. Paul Vondracek, new minister at Everglades Presbyterian Church will be the guest speaker at the monthly breakfast meeting of the Methodist Men Sunday morning at 7 o'clock. He will speak on the subject, "Your Family and God's Family."

No Room For Christ

by Rosece Knight
"There was no room for him in the Inn. This is one of the saddest statements in the whole of the Bible. He who came to make room for men in Heaven found no room for himself."

First consider the Roman Empire. No room for him here. Herod ordered the execution of all male children under two hoping to destroy the Christ.

Second, consider the Jews. He came into his own, but his own received him not.

Third, consider the world at that time. They put him to death, that the world be not filled with his teaching.

We look with dismay at those of that age, and say, "How could they?" Are we any better? In our schools and colleges today that name is looked upon with disdain. Men teach that Christ was just another great religious figure. He, according to some, is placed along the side of Shakespeare as a great inspirer of men.

Even in religious circles His miraculous birth is considered as a fable by most preachers. He stated in Matt. 23 that all authority hath been given unto me both in Heaven and on earth. Still men today use human reasonings and human institutions to do with Christ as he commanded his followers to do.

When we use man's way in opposition to the way of inspiration we are saying as the inn keeper did, "No Room for Christ!" Sunday 9:45 A. M. Bible Study.

10:45 The Plain Way 7:00 P. M. How Readest Thou? Southside Church of Christ teaching the all sufficiency of Christ and His Church.

Sermon Topics

COMMUNITY METHODIST Church - Rev. J. Paul Vondracek, District Sup't. for the West Palm Beach District, will be the guest speaker at the morning service, Sunday. At the evening service, Dr. J. Paul Vondracek, pastor of Everglades Presbyterian Church will bring the message on "God Answers Prayer."

FIRST BAPTIST CHURCH

Belle Glade - Rev. Luther Key pastor will speak at the morning services on the subject "The Laxative Flu." The Lord's Supper will be observed at the 8:30 service. In the evening, Rev. Key will speak on "The Road to Recovery."

ST. PETER LUTHERAN CHURCH - Rev. Harold Lindke from Miami will bring the evening message, as guest minister, at 7:30. Pastor Reitz has returned to Wisconsin.

CHURCH OF THE NAZARENE - Rev. Robert Cline of Belle Glade will fill the pulpit as guest minister, while Rev. Ora Smith is on a three weeks vacation.

BELLE GLADE CHURCH OF CHRIST - "Life's Key Questions" will be the morning sermon of Harry Darrow, Jr., evangelist and the evening topic will be "Watch."

SOUTHSIDE CHURCH OF CHRIST - 10:45 the sermon will be "The Plain Way" and at 7 p. m. "How Readest Thou?" by Rosece Knight.

Truth

"And ye shall know the truth, and the truth shall make you free," John 8:32.
"What is truth?" you may ask. The best answer to this question comes from the Bible itself. "... THY WORD IS TRUTH," John 17:17.

How may we know this truth? Only by studying the Word of God. Paul tells Timothy, in II Timothy 2:15 "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." In His Word you will find the answer to every question, the solution to every problem.

If you have a desire to know more about the truth of God's Word, you are invited to attend all services at the First Independent Missionary Baptist Church of Chosen, N. W. Ave. G & 17th St. Bring your Bible and do as the Christians mentioned in Acts 17:11, "They were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and SEARCHED THE SCRIPTURES DAILY, WHETHER THOSE THINGS WERE SO."

Of special interest to Bible students is a study course on various Bible doctrines conducted Tuesday at 7:30 p. m. The church also sponsors a radio program each Sunday at 2:00 p. m. on Station WSWN.

Churches of Christ Scientist

"Love" will be the subject of the Bible Lesson read in all Christian Science churches this Sunday.

Responsive Reading includes this verse from I John 4:8: "He that loveth not knoweth not God; for God is love." Also to be read is this passage from the deponational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The precise form of God must be of small importance in comparison with the sublime question, What is infinite Mind or divine Love?" (p. 256).

Mr. and Mrs. Hubert Anderson and children Chuck, Bill, Linda and Paula have moved back to Belle Glade from South Shore Plantation and are residing in their new home at 1424 N. W. Ave. B.

4-H Boys And Girls At Camp Cloverleaf

Attending 4-H Camp Cloverleaf at Lake Placid are Colette Carpenter, Melinda and Margie Chapman, Janis and John Koller, Ginger Clark, Timmy Baker, Bonnie Ives, Jimmy Beddoe, Dobby Lewis, Rita and Lillian Toney, David Shuts, Jerry Nehls.

Mr. and Mrs. E. J. Cross enjoyed a vacation in the mountains, spending part of the two

weeks at Lake Glenview at Cashiers, N. C. and making sightseeing trips to Cherokee and Maggie Valley. Enroute back they stopped to see their son-in-law and daughter Tommy and Kay Mann at Fort Walton Beach.

Among the Belle Glade people visiting Mrs. John Newton at the Lantana Hospital were Mrs. Jack Mathewson on Sunday and Mrs. Geneva Cross Monday evening. They found her in good spirits and much improved

Do you ever pause to listen to the voice of God? We hear it every day, wherever we may be.

In the whispering of tall trees... the music of rushing brooks... the songs of the birds... the gay laughter of happy children... we hear the voice of the Great Creator. Through his infinite grace a bird is enabled to serenade his mate, a tiny cricket chirps its

faint refrain. God is the Bringer of all blessings to man and beast alike. Let us give thanks to Him who has so enriched our lives. Open church doors beckon all over our land. Let us seek the House of the Lord, and enter in to pay Him homage. Here through prayer and humility, let us re-dedicate ourselves to His service and glorification.

Luther Jones Reports From England On People-To-People Goodwill Tour

Lord Mayor R. C. Rogers of Manchester was made an Honorary Floridian Saturday with the presentation of a gold badge of the Great Seal of the State of Florida by Doyle Conner following luncheon where the Mayor, his Mayores and Socialist Alderman Mrs. Friedel were guests of the Florida People-To-People delegation.

This third largest Community of Britain holds a warm spot in the hearts of our party for the wholehearted and tireless conducted tour by these officials of their parks and 'till 6:30 to night (Saturday).

Affable, folksy and with a ready wit, the Mayor, along with several prominent business men who joined us during the afternoon, proudly displayed a herd of Belted Galloway beef, type cattle, a flock of black four-horned sheep and a herd of long-haired cattle described as "Highland," in the park.

These animals are a part of public appeal and diversity of interest for the people with the OPPOSITION representatives joining in the prideful display.

The parks are most appealing, as are the somewhat restricted yards of the "Corporation" owned homes, with their beds of colorful flowers.

"EETIN" Park (spelled Heaton) is 600 acres of rolling country.

try overlooked by a 200-year-old castle whose high ceilinged halls, flagstone floors and inviting mahogany doorways make you contemplate the life in bygone days of its titled owners. This is especially so when you read of the succession of inherited ownerships thru the death of reigning occupants a "only 22 to 26 years of age."

"They had it made," one admiring Floridian said, "and knew how to enjoy it," added another. The original 400-year-old horse-drawn carriage-barn to Senator Evans tells its own story.

The gardens, surrounded by a high brick wall, would be "hog-heaven" to Belle Glade Garden Club.

The parks' lake was full of row-boats, skiffs, "motors" and families were taking advantage of the "for hire" privileges, bowling on the green, and wide open grassed picnic areas. Parkways, and the upturned sunker game are lined with those who pay "tuppence" for a folding chair.

Friday night's trip began with an hour-and-a-half wait on the ground after boarding the plane "because of air traffic." Air conditioning was good for 30-degree weather (it was over 75 on the ground).

What began as "undue peering" soon became "Gauguin cotton-picking sweat."

"We are the boys from old Florida" in bursts of enthusiasm made sleeping not too certain until day-break at 2:15 Belle Glade time.

Orange juice, pepsi, soda and plain "branch water" were distributed with various taste-improving concoctions just enough to stimulate a wave of activity from end to end and back again. Obligated to "feed the customers" because of delay, the plane offered breakfast of cheese, sliced ham, rolls and coffee after the 40-minute wait at Shannon, and "ham and" were a planned part of the trip of Manchester's airport at nine a. m.

The Lord Mayor was to be our guest at one; we were served "TEA" at the Manor house in the park, and dinner at seven "When we eat" became a facetious note at every slow-down in the planned activities. The first day in England was success, filled with favorable impressions, and I believe from both sides.

Many conversations were had with park visitors, and friendly interest became cordial well-wishing to Florida and English parkway acquaintances.

We're off to Coventry at nine by bus, with lunch on some English farm.

It's 10:50 Florida time now, so I'd better catch another wink before the seven a. m. chore of repacking.

IN SERVICE

Mrs. Estel Jones, wife of Mr. Estel Jones of Belle Glade, Fla., is being reassigned to Amarillo AFB, Tex., for technical training as a United States Air Force aircraft maintenance specialist.

Airman Jones, who enlisted in the Air Force a short time ago, has completed his initial basic military training here.

He is a 1963 graduate of Hamilton (Ala.) High School.

Florida Sales Up

5.3% Over 1961-62

J. Ed Straughn, Director of the Fla. Revenue Commission, said today that gross sales reported in connection with sales tax collections during the fiscal year 1962-63 totaled \$15,783,473.90.

Straughn said it represents a 1.3 percent increase over fiscal 1961-62, or \$945,487.91.

Sales tax collections for the last year totaled \$191,333,729. This was an increase over 1961-62 but was under the estimate which was needed to meet budgeted requirements, Straughn said.

Another successful year ended July 25 in the Municipal Park for the Summer Educational Enrichment program. This is the 15th year for the program with this year's enrollment at 300. The boys and girls enjoyed all the activities of the six weeks with each week a different special event to keep them all interested.

After the Tournament awards ice cream was served through the courtesy of Mr. Byrd of Alfalfa Creamery to all the children present, who had participated. Mrs. Gerry Robinson, manager, said there had been no accidents and the program had run along smoothly, during the six weeks. She wished to express her thanks to the Lions Club for the Silver Dollars donated, to Mr. Harris and to Mr. Byrd for the ice cream.

The regular park schedule with supervised play will continue until September, week days 9 to 12 and 2 to 5. Mrs. Robinson said, Coach Davis and Coach Luke and Miss Bottoms, all agreed they had enjoyed the work with the youngsters.

No Liquor Sales In Florida Today Before Inventory

Alcoholic beverage sales will be temporarily halted throughout Florida today, August 1, when all retail dealers close their doors for inventory, according to Richard B. Keating, State Beverage Director.

The inventory, required by a law passed in the 1963 session of the State Legislature, will provide an accurate count of alcoholic beverages on hand for which an additional tax must be paid.

Every retail dealer must inventory his stock prior to opening for business Thursday and remit to the State Beverage Department, no later than August 10, all taxes due the State, Keating said.

Tax Structure Discussed

Rep. Roberts Speaks To Jaycees

Rep. Emmett Roberts was guest speaker for the Belle Glade Jaycees and their wives last Thursday night. Rep. Roberts spoke on matters concerning the past session of the Florida legislature. Tax structure of the state was discussed and it was disclosed that the taxpayer's money for the largest percentage goes to all remaining facets of the state's budget. The State Road Department budget is exclusive of this, all of their funds are derived from state gasoline taxes. Rep. Roberts also disclosed that western Palm Beach County will have considerable amounts of repair on their roads.

He also stated that although this year's record legislature session broadened the state summer tax, it was only the fifth such tax increase since state taxes were conceived in the early 1920's.

Future programs for the Belle Glade Jaycees include Orientation and Induction of new members tonight at the Civic Center at 8:00 p. m.

August 15th the Jaycees will be guests of the State Prison, and will include a dinner and program furnished by the inmates.
